

# Web Paint-by-Number Puzzle #2444

## "What will I do without a best friend?"

created by Nancy Snyder

Apr 21, 2012

The puzzle grid consists of 100 columns and 100 rows. The top 10 rows contain numbers in various colors (red, blue, green, black) indicating the colors to be used in those areas. The rest of the grid is empty for coloring. The numbers are arranged in a pattern that forms the words "What will I do without a best friend?" when colored correctly.
