

# Web Paint-by-Number Puzzle #3641

## If the plural of goose is geese...

created by Adam Nielson

Sep 25, 2008

A large grid for a paint-by-number puzzle. The grid is 25 columns wide and 25 rows high. The top row is a header row with numbers 1 through 25. The first column is a header column with numbers 1 through 25. The grid contains numbers 1 through 12, representing the different colors used in the puzzle. The numbers are distributed across the grid in a way that forms the shape of a goose. The numbers are: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12.
