A large grid-based puzzle for painting by number. The grid is 30 columns wide and 30 rows high. The top row contains a sequence of numbers from 1 to 30, with some numbers colored (e.g., 1, 3, 6, 7, 8, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30). The rest of the grid contains a complex pattern of numbers, many of which are colored, representing the puzzle's design. The numbers are arranged in a way that creates a recognizable scene when colored according to the key.
