The image shows a large grid for a paint-by-number puzzle. The top portion of the grid contains numbers in various colors (black, red, green, blue, purple) indicating different paint colors. The rest of the grid is empty for coloring. The numbers are arranged in a pattern that forms the outline of a tattoo design. The grid is 12 columns wide and 20 rows high. The numbers are placed in the top 10 rows, with some numbers appearing in multiple colors. The numbers are arranged in a pattern that forms the outline of a tattoo design.
