

# Web Paint-by-Number Puzzle #7502

## Slam Dunk

created by Cody

Dec 26, 2009

The grid is a 20x25 grid. The top row contains numbers 1 through 17, with some numbers in different colors (green, blue, red). The bottom row contains numbers 1 through 17, also with some numbers in different colors. The rest of the grid is empty, intended for coloring.
