

Web Paint-by-Number Puzzle #7587

Nothing is faster than Light

created by Kai-Uwe Zickerick

Jan 13, 2010

Large grid containing a Paint-by-Number puzzle with numbers and colored cells. Includes a 60x64 grid with a 60x64 sub-grid below it. Numbers are placed in specific cells, and some cells are highlighted in green, blue, or purple to form the image 'Nothing is faster than Light'.
